	154-9 <u>ASSISTANT SUPERINTENDENT'S REPORT</u>
<u>SCIENCE NECAP TEST SCORES</u>	<p>Dr. Filippelli read his Report (which is attached hereto and incorporated herein by reference). In particular, he noted concerns with how RIDE scored the NECAP tests.</p> <p>He noted that Scituate remains above the state average in all scoring. While the administration continues to focus on improvement, Scituate is usually 30 to 40 percent higher than the state average across the board and has been for years.</p> <p>The Committee engaged in a brief discussion of test scores with Dr. Filippelli.</p>
<u>TITLE II AUDIT</u>	Dr. Filippelli next reported on the RIDE TITLE II, scheduled for February of 2015. Title II are the funds that provide the majority of the professional development done in Scituate.
<u>KINDERGARTEN ASSESSMENT PILOT</u>	Dr. Filippelli also reported that RIDE received a \$19 million grant from the federal government on pre-school education. While Scituate might not receive a significant portion of those funds, Dr. Filippelli was of the opinion that Scituate would be involved in curriculum development in pre-school education, as All-Day K was recently initiated in Scituate.
<u>BYOD (bring your own device) POLICY RESEARCH</u>	Dr. Filippelli continues to work on a district BYOD policy and will update the Committee accordingly.
<u>HIGH SCHOOL COURSE PROPOSALS</u>	<p>Dr. Filippelli then reported on his work with Dr. Sollitto and various department heads for new course proposals. He recommends to the Committee a course entitled Introduction to Engineering and Technology EE/Robotics II (Honors) Grades 10-12, which would introduce students to various tools and problem solving skills common to most fields of engineering and technology.</p> <p>The Committee engaged in a brief discussion on this topic.</p>

<u>DISTRICT TEXTBOOK PURCHASE POLICY</u>	<p>Dr. Filippelli also reported on the District's textbook purchase policy. The first public reading appears later on tonight's agenda.</p> <p>The Committee engaged in a brief discussion on this topic.</p>
<u>MIDDLE SCHOOL PROMOTION/RETENTION POLICY</u>	<p>Dr. Filippelli reported on a minor language change to the MS Promotion/Retention Policy and read it into the record.</p> <p>The Committee engaged in a brief discussion on this topic.</p>
<u>MONTHLY ACTIVITIES</u>	<p>Dr. Filippelli's report also listed his activities for the preceding month.</p>
	<p><u>154-10 SUPERINTENDENT'S REPORT</u></p>
<u>2015-2016 School District Budget</u>	<p>Dr. Lescault read his Report (which is attached hereto and incorporated herein by reference). He reported that the proposed Budget has an increase over the 2014-2015 by \$629,807 or 2.8%. However, the increase is misleading because the town is funding \$250,105 of Improvements to Buildings and Grounds out of their Capital budget. Consequently, the proposed school district budget for 2015-2016 is artificially inflated by \$403,200. If the Town continues to fund improvements to Buildings and Grounds out of their Capital budget, the school district budget will be up \$226,607 or 1.0%</p> <p>A 1.96% increase over current actual is used throughout the budget for potential salary increases for certified and non-certified personnel that are not otherwise covered by an existing contract for 2015-2016, with specific rates.</p> <p>Dr. Lescault reported on revenue projections and he explained that the proposed district budget is a draft only, subject to any changes the Committee wishes to make.</p> <p>The Committee engaged in a discussion on this topic.</p> <p>Mrs. Pendergast made a motion to remove the \$125.00 Sunshine Fund from the Budget; seconded by Mrs. Esposito; the roll was called as follows:</p> <p>Mrs. Esposito – Yes; Mr. LaPlante – No; Mrs. Guglielmi No; Mrs. Umbriano – No; Mrs. Prendergast – Yes.</p> <p>The motion did not pass.</p>
<u>Approval of the Northwest Region Special Education</u>	<p>Dr. Lescault recommended approving the Northwest Rhode Island Special Education Collaborative Agreement for 2015-2016. The arrangement has been in place for many</p>

<u>Collaborative Agreement</u>	years and has served the district very well.
<u>School Calendar for 2015-2016</u>	<p>Dr. Lescault reported on the survey concerning the School Calendar.</p> <p>The Committee discussed Dr. Lescault's report and recommendations and he will prepare a calendar based on the Committee's suggestions for a future vote.</p>
<u>Rockland Road Traffic Safety</u>	<p>Dr. Lescault reported on the Scituate Traffic Safety Committee's review of Rockland Road between the Middle/High School and Manning Field.</p> <p>The Committee engaged in a discussion of this issue.</p>
<u>MONTHLY ACTIVITIES</u>	Dr. Lescault's report also listed his activities for the preceding month. He also noted that during February school vacation, the antiquated district phone system will be upgraded at no "up-front" cost and monthly operating costs will remain relatively the same.
<u>PUBLIC COMMENT AND QUESTIONS</u>	<p>154-11</p> <p>Richard Finnegan, 47 Ridge Road – Spoke on the budget and the policy for family sick leave.</p> <p>Rick Cabral, 29 Alberta Lane – Spoke on concerns he has regarding a coach and his daughter's safety and wanted to know the next steps to be taken.</p> <p>Chairperson Umbriano acknowledged that they are aware that there are issues.</p> <p>Mr. LaPlante stated – I want to be on the record and be very clear about this. I have not personally investigated this to make a conclusion. When you use the word "we", please do not include me. The administration that we trust, Dr. Sollitto has investigated this. It is my understanding that he has made a conclusion to some extent. I have not reviewed that information and scrutinized it. All I care about is the wellbeing of the kids. That is what all of us should care about, is the wellbeing of the kids.</p> <p>Pamela Pino, 17 Mountain Laurel Lane – Spoke on concerns with coaching staff.</p> <p>Mike Sollitto - High School Principal – Spoke on coaching and staff concerns and bussing issues.</p> <p>Jennifer Pierce, 84 Woodsong Drive – Spoke on letters she wrote on bussing issues and procedures.</p> <p>Kevin Venturini, 245 Gleanor Chapel Road - Spoke on bussing issues.</p>
